TEACHER / ADULT LED

ACTIVITY	DESCRIPTION	LOCATION	Features / Limitations
Blind Trail	Bush walk using blind folds and rope guides	Forest area near low ropes/sports field	Can be used by Team up to Full Group
Confidence Course	A range of climbing, balancing, crawling and swinging obstacles	Far side of lower sports field	Just add water for Team Building
Flying Fox	Classic straight line flying fox - with additional safety harness.	Beside water slide, top field	1 at a time, Height and Weight are factors
Hobo Stoves	Make your own pikelets/ pancakes using a small tin can with mini fire/stove.	Redwood Shelter	8-10 at a time is about right
Orienteering	Using a map of the site to find points around the camp.	Around your Complex and out into the shared areas	Coding, and additional layers have been added.
Raft Building	Using ropes and wood etc to create your own raft. Then test it in the pool!	Between the bike track and sports field	Team or large Group activity
Shelter Building	Creating shelters using poles, tarps, and cord/rope skills	Chosen location	Can be setup for open or wooded areas
Team Building	Various team building activities	Chosen location - can include Confidence Course	Most games are best with groups 8-12 people
Waterslide	Straight line water slide ride	Beside flying fox, top field	1 at a time, takes time.
